

All State Championship Qualifying Tiebreaker System

Individuals

If both tied have more than 7 tournaments that counted, go to the 8th, then 9th, etc. to break the tie.

If one has points in 8 tournaments, and the other only 7 tournaments, tie goes to the golfer with 8 points earning tournaments.

If neither has 7 tournaments earning points, tie will be broken by following criteria until tie is broken:

1. Most 1st place finishes
2. Most 2nd place finishes
3. Most 3rd place finishes
4. Most 4th place finishes
5. Most 5th place finishes, etc.

This will be same format for breaking ties for teams to make top 15 if there is a tie, beginning with points earning tournament scores first, then the placement at tournaments until the tie is broken.
