

All State Teams Press Release

LOUISVILLE, KY (October ??, 2021) – Luke Coyle of Taylor County High School and Trinity Beth of Marshall County High School have secured the honors of being Mr. Golf and Ms. Golf for the 2021 season.

Coyle began his golf season with an appearance in the Drive, Chip & Putt National Finals at Augusta National Golf Club and has ended it with terrific results in the high school season. Highlighting his junior campaign representing Taylor County was his performance in the KGCA All-State Championship, where in the final round at University Club of Kentucky's Big Blue course, he played the front nine in 28 (-8) with six birdies and an eagle. That paved the way for him to win by four strokes in an eye-popping performance. That result pushed him to the top of the standings as he topped Clay Pendergrass by 25 points to clinch Mr. Golf honors.

Trinity Beth is Ms. Golf for the second consecutive year as the 2026 high school graduate continues to turn heads on the state's biggest stages. Like Coyle, Beth won the individual first-place prize in the KGCA All-State Championships when she overtook Isabella Wiley in a two-person showdown when each player was five shots clear of their nearest chaser. An eventual playoff victory there on top of several other victories throughout the fall further proved how much talent Beth possesses. With four more years of high school golf eligibility remaining, Beth could be poised to earn a record number of Ms. Golf titles throughout her career.

The All-State Golf First and Second Teams are chosen by points earned in high school invitationals, KGCA All-State Championships, Regionals, and the KHSAA State Championships. Invitationals submit their results to the All-State points committee comprised of Directors from Golf House Kentucky, the Kentucky Golf Coaches Association, plus boys and girls high school coaches. The complete listing of boys and girls teams, with schools and final points, is as follows:
