KGCA End of Year Tournament - Pat Heitz

Will be held the same as last year at Lakeside, but will be making less money due to costs from city at Lakeside. Picadome will be the backup course if needed. Hope will be to do a shotgun start and do both on same day at same course. 8 girls teams and 7 boys teams have already committed.

Michael Vick will let us know as soon as shotgun starts are approved by Golf House.

All State Committee Report - Chris Adams

Updated points system was shared to board members on Saturday. All documents to be posted were shared as well, including Points System, Tournament Procedures Information, and FAQ page.

All tournaments with paid memberships as of 4/11/21 are posted. We have 6 girls tournaments and 5 boys tournaments that have been listed, but membership fee has not been paid yet.

Kevin noted changes needed to be made on the website. He will get that to Chris to post.

New Business

All State Tournament

Mackenzie asked if it would be possible to play the same course both days for the All State Tournament. Derrick also voiced he would be in favor of it.

Lars noted that he thinks it is a good idea to play both because of the nature of the tournament. Pat said that his school does like the two courses.

Michael noted that one of the reasons for using both courses was equity to say that no one got a lesser course.

Derrick stated this might be something to be handled in a survey to the coaches, to see what they prefer. Eric said he sees the point of this, but does like being able to play the two courses.

Next meeting date: June 6, 2021 at 8:00
